

The Education in Conflict and Emergencies
Student Organization presents:

The Human Right to Education for Refugees and Migrants

November 29, 11:30 a.m. to 2:30 p.m.
Global Crossroads Atrium
H. J. Patterson Hall

Education is a basic human right, and we must work to ensure access to this right regardless of a person's circumstances. Refugees and migrants in particular are faced with overwhelming challenges in accessing their right to education.

Join students from UMD's School of Education for the 70th anniversary of the Universal Declaration of Human Rights. From the global to the local, we will shine a spotlight on the challenges, frustrations and rich opportunities for refugees and migrants to access educational opportunities.

Guest speakers will be featured at 11:30 a.m., 12:30 p.m. and 1:30 p.m. Lunch will be provided (first come, first served).
